11) It does not appear to be necessary to employ any tents - 2 tents are available on Irwin Village now Rly Tents, but nothing is made out any for one - i.e. for the Amildar for 1919, no such supply was made, & the Amildar went to live in one of the temporary sheds.

If tents are to be given, Supt Rly Office will be asked to give 2 tents after the Darbar functions are over

Chief *Secretary to the Government of His Highness the Maharaja of Mysore, Bangalore.*

have the honor to state that the number of tents available with the Revenue and other Departmental Officers of this district will not be enough to meet the heavy requirements at Karapur and other camps during the ensuing Viceregal visit. The Amildar of Heggadadevankote who will have to make his Head Quarters and hold office for a considerable length of time at Karapur will require to be supplied with a tent. I beg to request therefore that you will be so good as to kindly order to be placed at my disposal temporarily for a period of 2 months till the 25th of December 1923, one small Hill tent and one Swiss Cottage Tent to meet the requirements explained al
